

# CoachUnlimited

## Our Safeguarding Promise

### Our Promise to You

We care about you and want you to have fun, learn, and feel safe when you're with us at CoachUnlimited.

### How We Keep You Safe

We have kind, trained grown-ups (like your coaches) whose job it is to look after you.

We have rules to make sure everyone is respectful and treats each other properly.

We have a safety plan, and we check it every year, including listening to what you think.

### If You're Ever Worried

If you feel sad, worried, or if something makes you feel uncomfortable, you can tell any grown-up you trust.

That could be a coach, a teacher, a parent, the school secretary, or the headteacher.

We promise to listen to you, believe you, and help you get the right support.

### Special Grown-Ups Who Help

We also have special grown-ups called Designated Safeguarding Leads (DSLs). Their job is to make sure everyone is safe and supported.

### Designated Safeguarding Leads:

Dan Chapman

Danny Bray

Teresa Hames

### If You Need Extra Help

In an emergency, call Police 999.

You can also talk to Childline on 0800 1111, they're there to help anytime.

You are important to us, and keeping you safe always comes first.
